

Holy God Jesus Christ lovingly prepares all His children,
especially the lost, for Paradise.

It is not enough to simply call the unclean spirits by name — we call them “intelligent beasts,” for they are capable of much and constantly draw souls to themselves through lies.

You will recognize them by this: they have no love and bear no good fruits.

They command people to do evil and forbid them to do good.

Lucifer was already in Paradise, but the Savior cast him out, because he refused to do the Holy Will of God and wanted to be God himself.

Some time ago, the Savior said to me, J.:

“You are My fighter for the truth.”

At that time, I did not accept it seriously nor in the light of God.

Today I know: every person should be a warrior — a fighter for Christ — yet sadly, there are so few.

Only with the Holy God Jesus Christ can I fight for the truth.

Where are you, fighter for the truth?

Will you not join me and the Savior in saving souls?

Where are the fruits of your faith and love?

The unclean spirit can slip in — as habit, as false piety.

Everyone deserves a second chance, so that the soul may remain in God’s love.

The soul must be purified — it needs Confession.

But they will only come to Confession when they pray and open their hearts to the Holy God.

In Confession, the Holy God grants that sins are forgiven.

The Holy God gives all people His light and love, because they cannot and do not want to fight for the truth and return to Him again.

People today are filled with the spirit of the world.

How can they receive the love of the Holy God?

In this time, people believe only what they see — and so they live and continue to sin.

They say they believe in the Holy God,

but they do not do what His Will is.

Heresy must not be in your heart — for it is poison to the soul.

Only truth may remain — for the lie is abominable before the Holy God,
bears no fruit, and offers no eternal life.

You must never, under any circumstance, listen to Lucifer or the other
demons. All souls who desire salvation must listen to and firmly trust
in the Almighty Holy Triune God —

the Holy God Jesus Christ, our King and Savior —
for He alone desires to dwell in your heart.

Then you will reach Paradise.

The Almighty Holy Triune God — Father, Son, and Holy Spirit —
calls His lost children back into His love.

You give the people of the whole world lasting peace —
the peace that You, Almighty Holy God, alone can give.

Beloved people, pray daily to the Holy God
and ask for peace. Amen.
