

Necessary and Precious Prayer

(english)

Our Holy Lord and God Jesus Christ, we place everything — ourselves and everyone — into Your hands, for without You we can do nothing. You are the King of mercy and eternal happiness; true and faithful God, infinite love, source of life and holiness. Humbly we ask You: protect us from all sins and confusion. Grant us and all people, especially our families, Your peace, light, love, and health of body and soul, day and night. By Your almighty power and dominion, protect us always from the temptations and plagues of the devils, and cast them all into hell for all eternity — those who roam and torment souls for their destruction here and in the world. Spare us from a sudden and unprepared death. Deliver us on the day of judgment. Holy God, King and Redeemer of the world, protect and lead us into Paradise. Grant us and all people the grace to change according to Your will and to obtain eternal life in Paradise. Free the poor souls from the pains of purification. We praise, love, adore, trust, and thank You for everything. **Amen.**
